Ginny, Dietrick,

Here is the availability of Steve Acree / Robert Ford to discuss Anaconda OU1 background one-on-one with YPT:

- * Until 11 am PST on Feb 16
- * Until noon PST on Feb 19
- * Between 8 am and 1 pm PST Feb 22-26, except 11 -1 PST on Feb 23.

Please let me know which of these times work for you and I will work to finalize a date.

I will need to release the background comments to the stakeholder group before this discussion takes place, but hopefully since I sent you advance copy you will have time to develop any technical counter arguments should you feel they are necessary.

Nevertheless, please contact me with any questions or concerns.

Best Regards,
Dave Seter
